**Secretary's Report:** April minutes presented; Lynn Sweetman motioned to approved; Seconded by Tammy Polak; Minutes approved.

**Treasurer's Report:** April report presented; Anne motioned to approve; Seconded by Lynnae; Report approved.

**Board/RHYB Functions:** Troy Crowell present to discuss the future relationship between RAHA and RYHB. Discussion included the possibility of a.) Dissolving RYHB and have the Booster duties go through RAHA; b.) Stay as two separate entities and function with Subcommittees that assist the Board with different events/fundraisers, etc.

Motion made for RYHB to function independently but to further discuss how to coordinate with RAHA better. Motion passed. Susan suggested having a separate meeting to outline the subcommittees and make a proposal to the Board for the June meeting. Volunteers for that subcommittee are: Kerri, Michelle, Anne, Susan, Lynnae and Lynn.

**Roadside Cleanup:** It was decided due to lack of interest and attendance that we discontinue the Roadside Cleanup event. Also, the area we were assigned is now developed. The City is appreciative of our dedication over the years. The sign will stay in place until another group takes over that area.

**Tournaments:** Shelly proposed having two Squirt tournaments on separate weekends (weekend of 12/12 and 12/19). One "B" and one "C" with no early ice times. Plan is for 8 teams in each tournament. The Tournament Committee is still working out the details.

**Leprechaun Days:** We will need a chairman to plan the parade. Discussion about the parade included: we need to have more coolers this year than last year; Plan for 20 blue and 20 green balloons; We need new skirts (blue or green) for the float; Kerri volunteered Kris DuPuis to fix the hockey sticks that go on the float; Michelle Rambo has 48 bottles of water to donate for the kids/volunteers; We will need 7000 freezies to hand out at the parade; Also discussed handing out candy instead of freezies.

**Center Ice Logo:** Discussion on the possibility of donating money for replacement of the center ice logo. Many unanswered questions remain and further information needed prior to our commitment to assist with funding this project. Anne Thurston and Susan Carter will get more details to present to RYHB members.

**Additional Business following Meeting via email:**

**Subcommittee Meeting:** Thursday 5/28 at 7 pm at Rosemount Community Center to discuss the proposal to RAHA board for additional volunteer hours and subcommittee plan.
